

## Dr. Gertrude A. Barber Foundation

*Making dreams come true.*

### *A Message to our Donors:*

Today, a toddler struggling to walk took his first step, a student working to put words together read a story on her own, and an adult is developing the job skills that he needs to land his dream job. You may not think that you know these individuals, but, in a very real sense, you have played a key role in their success.

Gifts made to the Barber Foundation this year made possible a variety of educational and job training programs, the expansion of behavioral health services, renovations to our facilities and updates to our infrastructure. As a donor, you should know that, on average over the past five years, 98.5% of every BNI dollar was used to meet expenses for the programs serving our children and adults.

On behalf of the more than 4,200 individuals we serve and their families, please accept our deepest appreciation for your charitable gifts. We recognize that there are many needs in all of our communities, and we are grateful that you made the commitment to ensuring that children and adults with intellectual disabilities or behavioral health challenges have access to the very best programs and services available. Our staff—more than 2,200 dedicated men and women—are working very hard to provide the highest quality, most innovative services to help those individuals reach their greatest potential.

This year's Donor Report includes the names of nearly 2,000 generous individuals, businesses and organizations that have invested in the future growth and success of our children and adults. On their behalf, thank you for your donation to the Dr. Gertrude A. Barber Foundation and your belief that, together, we can *make dreams come true.*

## Erie Insurance Grant Helps to Fund Computer Project

Residential manager Deneen Jones, center, shows residents Tom Eppler, left, and John Brown how to navigate a new laptop as part of a pilot program to test new computer equipment and a wireless infrastructure in their group home. The new wireless infrastructure will provide immediate access to medical records and other vital information throughout the Barber National Institute and its 49 Erie group homes. Erie Insurance awarded a \$120,000 matching grant to help fund the project, which also includes new computer hardware and applications to enhance the quality and continuity of care for the more than 200 adult residents of the group homes. The initiative is expected to be implemented in all Erie group homes during 2016.

## Artist Helps Students Bring Angels to Earth

Local potter Lisa Salvia proved that angels don't necessarily need cherubic faces and flowing robes to help others. Some can have spaghetti-like hair and names like Echo and Joo-Joo.

Salvia, pictured with student Jonah Derlink, brought together other artists and volunteers to work with students in the Elizabeth Lee Black School to create charming, one-of-a-kind clay angels that were available for sale at the Ladies Only Luncheon in 2015 and 2013, as well as in the Gift Shop. Proceeds from the sale benefited services for students in the school.

Salvia secured a donation of clay, and then helped students customize their angels by individually stamping their bodies and wings and creating faces, hair and halos. She transported all of the angels to her studio for firing and glazing before bringing them back to school for students to apply paint and name each celestial sculpture. The unique angels were a hit with shoppers for holiday gift giving, raising more than \$5,900 to benefit the school.

## Beast Sponsorships Support Mission

Tad Swift, pictured at right, auction manager of Corry Auto Dealers Exchange, shows his commitment to ensuring the success of Barber Beast on the Bay. Tad and Merle Swift, president and CEO, have undertaken Beast sponsorships for 2015 and 2016 for Corry Auto Dealers Exchange and Weber-Harris Ford in Meadville, both owned by the Swift family, that total \$30,000. Both civic-minded companies were among the first sponsors to make their commitment for 2016. In addition, they organized a team to participate in the Beast and attended the Barber Christmas Ball. With sponsorships covering most of the costs for Beast on the Bay, participant registration fees are able to fund services at the Barber National Institute. The 2015 event raised more than \$72,000.

## **Siebenbuerger Donation A Hit!**

For the second year in a row, the Erie Siebenbuerger Club donated \$6,000 to fund day-long baseball clinics with the Erie SeaWolves for children and adults in programs at the Barber National Institute. Club president Chris Rendulic, treasurer Steve Curcio and board member Matt Gustafson met with clinic participants Kayla Bond and Andrea Hecker, as well as Dr. Maureen Barber-Carey, executive vice president of the Barber National Institute, Siebenbuerger Club recording secretary Paul Causgrove and Kevin Forte, director of corporate sales with the Erie SeaWolves. A clinic was held for children in Connections Camp and other behavioral health services at the Barber National Institute, and another session was offered for adults in Barber National Institute day and residential services.
