August 3 – 7 & 10 – 14, 2015

BNI is considering a two-week, end-of-summer camp for children with or without special needs at ELBS. The camp would run from 9:00 am to 3:00 pm during the weeks of August 3 – 7 and August 10 – 14. Each day’s plan will be centered on technology but also include outdoor and recreational activities.

Students may attend on a daily or weekly basis. Free lunch will be provided; families will be responsible for transporting their children to/from camp. Cost is \$70/day or \$350/week.
