What are SIB SESSIONS?

SIB Sessions are aimed at providing a comfortable setting for sharing and learning about the ups and downs of being a brother or sister to a sibling with a disability.

SIB sessions is a nine session group that takes place at the Barber National Institute on the third Saturday of the month from 11:00 AM to 2:00 PM.

During the sessions, siblings are able to go swimming in the Barber National Institute pool, eat a light lunch, and enjoy a variety of fun activities such as crafts and games.

SIB Sessions are offered to siblings ages 5 through 15 (their 16th birthday is the cutoff date) and are offered free of charge to all participants.
