“Time for Me” is a monthly event for children with an intellectual disability ages 4 – 15 (their 16th birthday is the cutoff date) offered by Family Support Services, Barber National Institute. The program takes place on scheduled Saturdays and includes structured activities, swimming, arts and crafts, gym and snack. The program provides parents with their own “Time for Me” knowing that their children are in a safe environment having fun and are well supervised by trained staff. T.S.S. are welcome to attend the sessions. Sessions are sponsored in part by the Erie County Dept. of Human Services.
