"Time for Me" is a program for children ages 4 - 16th birthday with an intellectual disability, offered by Family Support Services, Barber National Institute and sponsored in part by the Erie County Dept. of Human Services. The include structured activities, swimming (if scheduled) and crafts, gym and snacks. This provides parents with their own "Time for Me" knowing that their children are in a safe environment having fun and are well supervised by trained staff. T.S.S. are welcome to attend the sessions.
