"Time for Me" is an event for children ages 4 to 16th birthday with intellectual disabilities that is offered by Family Support Services, Barber National Institute. This session takes place on scheduled Saturdays and includes structured activities, arts and crafts, gym, snacks, and swimming as scheduled. This program provides parents with their own "Time for Me" knowing that their children are in a safe environment, having fun, and are well supervised by trained staff. T.S.S. are welcome to attend sessions.

"Sponsored in part by the Erie County Dept. of Human Resources."
