

# Barber Behavioral Health Institute

Barber Behavioral Health Institute is pleased to announce enrollment is open for Connections Camp for summer 2022. Connections Camp is a social skills development program for children and adolescents diagnosed with an Autism Spectrum Disorder who will benefit from group intervention with peers. Programming is offered for youth ages 5-18. Connections Camp focuses on developing interpersonal skills, managing emotions and making good decisions. The program, including before and after care, is offered free of charge to Erie County residents. *Campers must be toilet trained, and female campers of age, must exhibit independent feminine care in the restroom.*
