

DIGITAL LEARNING DAY

Barber National Institute - Main Campus Gym
Thursday, February 22, 2018

11 A.M. TO 1 P.M.

Come and interact with the technology we use at Barber National Institute, including:

SPEECH STATION

A look at some of our latest speech programs, including News from Home, the Compass program, and GoTalk examples.

O.T. STATION

Showcasing the TapIt board, adaptive camera, and other technologies our occupational therapy team uses daily.

ABE STATION

See how students in Adult Basic Education (ABE) use technology to practice math, reading, and writing skills!

BIRTHDAY CLUB STATION

Students create birthday cards through a program designed for students with different abilities using voice output technology.

Additional presentations by students from Gannon & Penn State Behrend
PLUS! DIGITAL DANCING/YOGA FROM 11 A.M. - 11:30 A.M.
