

Section: Narratives - Assessing Impacts and Needs

SCHOOL ENTITY ARP ESSER APPLICATION

The Pennsylvania Department of Education (PDE) recognizes the extraordinary efforts made by School Entities, schools, and educators to support students during the COVID-19 pandemic. The application below requests information from School Entities about: (1) Needs and impacts resulting from the pandemic, (2) Stakeholder engagement in the development of plans to respond to these needs and impacts, (3) Specific elements in the School Entity Plan for the Use of ARP ESSER Funds; and (4) Plans for monitoring and measuring progress. As submitted and accepted by PDE in final form, this application shall become part of the Grant Agreement for ARP ESSER funds as Appendix B. As used in this application, "School Entity" refers to the Grantee defined in the Grant Agreement.

ARP ESSER includes a significant focus on vulnerable student populations. Given these requirements, as well as PDE's own equity commitments, the School Entity application includes specific fields requesting information on programs to serve student groups that have experienced disproportionate impacts from the pandemic. Student groups are inclusive of the following:

- Students from low-income families;
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity);
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender);
- English learners;
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA]);
- Students experiencing homelessness;
- Children and youth in foster care;
- Migrant students; and
- Other groups disproportionately impacted by the pandemic that have been identified by the School Entity (e.g., youth involved in the criminal justice system, students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years, students who did not consistently participate in remote instruction when offered during school building closures, and LGBTQ+ students).

Section I: Assessing Impacts and Needs

In this first section, School Entities are asked to describe the impact of the pandemic on their students, examine disproportionate impacts on specific student groups, and highlight the School Entity's promising practices in supporting student needs since March 2020.

Indicators of Impact

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the School Entity has identified or will identify the extent of the impact of the COVID-19 pandemic on student learning and well-being. Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys, and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1) Academic impact of lost

ARP ESSER APSs, PRRIs, and Charter Schools for the Deaf and Blind 2.5% Set Aside

instructional time, (2) Chronic absenteeism, (3) Student engagement, and (4) Social-emotional well-being?

	Methods Used to Understand Each Type of Impact
Academic Impact of Lost Instructional Time	Data from the annual IEP of each student was analyzed and summarized in quarterly progress reports.
Chronic Absenteeism	Daily attendance is analyzed, and parental contacts are made routinely. School districts are kept informed of student attendance.
Student Engagement	Adapted engagement strategies were developed by staff for individual students.
Social-emotional Well-being	Daily contacts were made with families and support was provided to ensure the social-emotional wellbeing. We performed regular checks with parents to determine whether extra help and assistance is needed. We partnered with outside agencies to provide additional support to students and their families who required additional assistance.
Other Indicators	None

Documenting Disproportionate Impacts

2. Identify the **student** groups in the School Entity that faced particularly significant impacts from the pandemic. For each, provide specific strategies that were used or will be used to identify and measure impacts.

Student Group	Provide specific strategies that were used or will be used to identify and measure impacts
Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA])	All students in the ELBS are diagnosed with a significant disability. We maintained daily phone logs and data collection. We also looked at curricular changes, adaptive programming, and flexible scheduling to best meet the individual learning styles of our students and family dynamics. Weekly mailings were sent to families with packets of individually made materials. Students in the mental health partial program were especially impacted since the face-to-face psychological services were limited during the pandemic. Increased daily contact with parents/guardians and students to determine needed coping strategies. Multidisciplinary students were impacted because equipment and basic hands-on programming was not readily available. Physical therapists and occupational therapists taught parents how to meet the physical needs of their child in the home environment.

Reflecting on Local Strategies

ARP ESSER APSs, PRRIs, and Charter Schools for the Deaf and Blind 2.5% Set Aside

3. Provide the School Entity’s assessment strategy that has been most effective in supporting the needs of students, in particular specific student groups most impacted by the COVID-19 pandemic. Strategies two and three below are optional.

	Strategy Description
Strategy #1	We maintained daily phone logs and data collection. We also looked at curricular changes and adaptive programming and scheduling to best meet the individual learning styles of our students and family dynamics. Weekly mailings were sent to families with packets of individually made materials.

i. **Impacts that Strategy #1 best addresses:** (select all that apply)

- Academic impact of lost instructional time**
- Chronic absenteeism**
- Student engagement**
- Social-emotional well-being**
- Other impact**

i. **If Other is selected above, please provide the description here:**

During a regular instructional day, students have increased mobility whereas while at home, students faced static environments where mobility is limited.

iii. **Student group(s) that Strategy #1 most effectively supports:** (select all that apply)

- Students from low-income families**
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)**
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)**
- English learners**
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))**
- Students experiencing homelessness**
- Children and youth in foster care**

Section: Narratives - Engaging Stakeholders in Plan Development

Section II: Engaging Stakeholders in Plan Development

In this second section, School Entities are asked to provide information on how stakeholders will be engaged in planning for the use of ARP ESSER funds, how stakeholder input will be utilized, and how the School Entity will make its School Entity Plan for the Use of ARP ESSER Funds transparent to the public—all critical components in developing, implementing, and adjusting plans based on the differential impacts of the COVID-19 pandemic.

4. Stakeholder Engagement

Describe how the School Entity, in planning for the use of ARP ESSER funds, has engaged or will engage in meaningful consultation with stakeholders. **(3,000 characters max)**

(Stakeholders include students; families; LEA representation, School Entity teachers; School Entity principals; School Entity leaders; other educators; school staff; and unions. In addition, to the extent that the following groups are present in or served by the School Entity, stakeholders also include community partners, civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migrant students, children who are incarcerated, and other underserved students; and tribes.)

A physical assessment of the facility was conducted by the Safety Committee, the COO, the Director of Operations, school leaders, and staff. findings from this assessment were brought to the attention of the CEO, Elizabeth Lee Black School (ELBS) Advisory Board, and the Barber National Institute (BNI) Board of Directors. We plan to use the funds to repair and improve school facilities to reduce or lower environmental health hazards and reduce or eliminate virus transmission and support student health needs. The installation and upgrading of HVAC systems will improve air quality and ventilation in the classrooms.

5. Use of Stakeholder Input

Describe how the School Entity has taken or will take stakeholder and public input into account in the development of the School Entity Plan for the Use of ARP ESSER Funds. **(3,000 characters max)**

The findings from this assessment were brought to the attention of the CEO, senior leadership, BNI Board of Directors, and ELBS Advisory Board. We secured their input, which was met with approval of the utilization of ESSER funds.

6. Public Access to LEA Plan for the Use of ARP ESSER Funds

Describe the process for development, approval, and making public the School Entity Plan for the Use of ARP ESSER Funds. The School Entity Plan for the Use of ARP ESSER Funds must be made publicly available on the School Entity website and submitted to PDE within 90 days of School Entity receipt of ARP ESSER funding, must be written in a language that parents/caregivers can understand, and must be provided in alternate format upon request by a parent/caregiver who is an individual with a disability. **(3,000 characters max)**

ARP ESSER APSs, PRRIs, and Charter Schools for the Deaf and Blind 2.5% Set Aside

The plan will be available on our school's website (<https://www.barberinstitute.org/children/elizabeth-lee-black-school>) within 90 days of receiving ESSER funding. Parents/caregivers will receive an overview of the ESSER plan within 90 days of funding approval, and parents/guardians will have an opportunity for input. An alternative format of the letter will be available upon request for any parent or caregiver who has a disability.

ARP ESSER APSs, PRRIs, and Charter Schools for the Deaf and Blind 2.5% Set Aside

Section: Narratives - Plan for ARP ESSER Funds

Section III: Plan for ARP ESSER Funds

In this third section, School Entities are asked to reflect on both the impacts and needs described in Section I and stakeholder engagement described in Section II to provide a description of the School Entity plan for the use of ARP ESSER funds, that address the impact of lost instructional time as required by section 2001(e)(1) of the ARP Act.

7. Plan for Funds

How will the School Entity spend its ARP ESSER funds as outlined in the fields below? Please select from the options below and provide an explanation.

1. Continuity of Services: How will the School Entity use ARP ESSER funds to sustain services to address students’ academic needs; students’ and staff social, emotional, and mental health needs; and student nutrition and food services, as applicable?
2. Access to Instruction: How will the School Entity use ARP ESSER funds to support the goals of increasing opportunity to learn and equity in instructional delivery, as applicable? Consider regular attendance/chronic absenteeism data from the 2020-21 school year, including data disaggregated by student groups, in developing the response.
3. Mitigation Strategies: How will the School Entity use ARP ESSER funds to support prevention and mitigation policies in line with the most up-to-date guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities and transportation services to effectively maintain the health and safety of students, educators, and other staff, as applicable? Consider the School Entity’s Health and Safety Plan in developing the response.
4. Facilities Improvements: How will the School Entity use ARP ESSER funds to repair and improve school facilities to reduce risk of virus transmission, address environmental health hazards, and/or improve ventilation? Consider the School Entity’s Health and Safety Plan in developing the response.
5. Staff Recruitment, Support, and Retention: How will the School Entity use ARP-ESSER funds to maintain staff and provide professional training and/or improve working conditions for staff?
6. Other, Summer School, Extended Day, Other Student Programs

Plan for Funds	Explanation
Mitigation Strategies	The installation and upgrading of HVAC systems will improve air quality and ventilation in the classrooms.
Staff Recruitment, Support, and Retention	We all provide retention bonuses for teachers/staff to support teachers/staff who took on extra assignments because of virtual learning and to increase training and development opportunities among teachers/staff and provide them with technological training to support increased proficiency in virtual learning. We remodeled classrooms to ensure we had access to

Grant Content Report

Plan for Funds	Explanation
	PPE and social distancing to ensure a safe and healthy learning environment. Teachers/staff planned additional opportunities to increase engagement among students. Staff were cross trained to allow for maximum participation and engagement of students in the learning process.

ARP ESSER APSs, PRRIs, and Charter Schools for the Deaf and Blind 2.5% Set Aside

Section: Narratives - Monitoring and Measuring Progress

Section IV: Monitoring and Measuring Progress

In this fourth section, School Entities are asked to describe efforts to build local capacity to ensure high-quality data collection and reporting to safeguard funds for their intended purposes.

8. Capacity for Data Collection and Reporting

School Entities must continuously monitor progress and adjust strategies as needed. Describe the LEA’s capacity and strategy to collect and analyze data (disaggregated by student group, where applicable), for each of the following measures:

	Data Collection and Analysis Plan (including plan to disaggregate data)
Student learning, including academic impact of lost instructional time during the COVID-19 pandemic	We maintained data collection on IEP-based instruction following alternate schedules. Parents/guardians maintained data through coordination with the team. We completed daily checks on the status of implemented plans and interventions.
Opportunity to learn measures (see help text)	We generated hands-on materials for each student related to their IEP goals and objectives and sent these materials home to parents and/or guardians. Parents/guardians were provided training based on the needs of their child. We collaborated with each student’s school district to ensure he or she had the appropriate technology in the home.
Jobs created and retained (by number of FTEs and position type) (see help text)	177.5
Participation in programs funded by ARP ESSER resources (e.g., summer and afterschool programs)	The extended school year program was increased by 5 days to increase student participation. Extensive training was provided to staff to expand novel (strategies and technologies remote instruction). Parents received packets to allow for ongoing summer learning.

ARP ESSER APSs, PRRIs, and Charter Schools for the Deaf and Blind 2.5% Set Aside

Section: Narratives - ARP ESSER Prior Approval

ARP ESSER PRIOR APPROVAL

School Entities that wish to expend ESSER funds on facilities initiatives may be permitted to:

- make facility upgrades to comply with American Disabilities Act requirements
- upgrade HVAC systems
- remediate mold, lead, and other sources of poor indoor air quality
- install mechanical ventilation and/or advanced filtration systems
- replace windows to allow for improved intake of fresh air
- replace plumbing to ensure safe drinking water—among other upgrades that improve the health and safety of school buildings.

All **capital expenditures** supported with federal funds must be pre-approved by PDE. Capital expenditures means expenditures to acquire capital assets (i.e., land, facilities, or equipment over \$5,000 per unit) or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to capital assets that materially increase their value or useful life.

Construction means (A) the preparation of drawings and specifications for school facilities; (B) erecting, building, acquiring, altering, remodeling, repairing, or extending school facilities; (C) inspecting and supervising the construction of school facilities; and (D) debt service for such activities (ESEA section 7013(3), 20 U.S.C. § 7713(3)).

Directions: School Entities seeking prior approval for Construction/Renovation or Other Capital Expenditures must:

Complete the form for each contractor/project that will be supported with ARP ESSER funds. If using multiple vendors for one project, i.e., classroom expansion, enter total cost per vendor to equal the total budgeted cost of the “classroom expansion” project. Completed forms must be uploaded to this section. Prior to uploading forms, they must be signed off by your School Entity’s Superintendent/CEO/Executive Director.

Will you be using a portion of your ARP ESSER funds for Construction and/or Other Capital Expenditures? If no please select 'No' and mark section complete.

Yes

In the table below, please provide the name and type (construction vs. other capital expenditure) of the proposed project and a brief description. Please enter each contractor/project on a separate line in the table.

Name of Proposed Project	Type of Project	Brief Description of Proposed Project
Facilities update	Capital Expenditure	Improvement of air quality from the upgrading of HVAC systems.

CHECK HERE - to assure that you have successfully uploaded your Prior Approval Form(s) if

applicable.

Section: Narratives - Health and Safety Plan Upload and URL

SCHOOL ENTITY HEALTH AND SAFETY PLAN AND URL

Please upload your School Entity Health and Safety Plan and website URL below. Check the assurance indicating that you have completed your upload. Please name the file using your School Entity name followed by Health and Safety Plan. example: "*School Entity Name-Health and Safety Plan*"

School Entities are required to add the URL where the approved plan will be posted to the School Entity's public website. Please add the URL below.

<https://www.barberinstitute.org/uploads/Covid19%20Updates/ELBS%20Health%20and%20Safety%20Plan%203.2.2021.pdf>
