### Notice:

Due to the Tim Tebow Prom on February 8th, we decided to move the ESO dance to February 1st in order to allow our dancers to participate in both dances! With changing the date, we were unfortunately not able to get the space at Penn State Behrend any other Friday, so we decided to move the location the Barber National Institute. We thank you for your ongoing support and cooperation with this year's dance locations! All universities are still involved with the dances!

### Directions:

The dance is located at 136 East Avenue in the gym/parking lot at the main building. Once you get to the Institute's location on East Ave, you will turn down E 3rd Street. The parking lot will be on your left and entrance will be on your right.
